## We May Call Him Speaker Mapes Who Knows

CONGRESSMAN MAPES  
SPEAKS TO ROTARY AND  
EXCHANGE CLUBS

The Rotary and Exchange Clubs held a joint luncheon at Warm Friend Tavern today and the guest speaker was Congressman Carl E. Mapes who has always been a wonderful friend of Holland.

Mr. Mapes gave a word picture of how Washington, D. C., conducted business and vividly mapped out how the government was run. It was a very instructive discourse, making one more intimately acquainted and in closer touch with the ins-and-outs of the government's structure.

B. P. Donnelly, president of the Rotary Club, was called upon to preside and he in turn handed the gavel to William C. Vandenberg, general chairman of the Community Chest Drive.

Mr. Vandenberg gave a vivid outline of how the campaign had been organized, how it was progressing and how they profited by last year's mistakes and thru experience the organization would become better and more efficient from year to year. Mr. Vandenberg said there was a spontaneous even in these stressful times more so than last year to help the Chest and that the slogan of Caring and Sharing was not a misnomer, but fitted into the situation in every way.

He thanked all who participated in making the drive a success and then called on Dr. Davidson to again read the poem on the Community Chest Drive which he so ably gave at the organization meeting on Tuesday night and is found elsewhere in this issue.

The Rotary-Exchange Club luncheon was a real instructive and a constructive affair with Landlord Dauchy taking good care of his guests.

It might be well to state here that the guest speaker, Carl E. Mapes, is right in line to become Speaker of the House at Washington, D. C., stepping into the shoes of the late Mr. Longworth, who was the husband of Alice Roosevelt Longworth, oldest daughter of the late President Roosevelt.

## NAMES OF DILIGENT CHEST WORKERS ARE PUBLISHED

On page two, section two, of this issue will be found the group of men and women who are putting over the Community Chest campaign in Holland. The need is great but it is very gratifying how liberal the response has been. If for any reason any names have not been listed in this group of names haven't approached you for your share to the Community Chest, do not be backward and either hand your pledge into the Chamber of Commerce office or call up the Chamber of Commerce, phone number 2455, tell them you wish to pledge and some one will be sent immediately to your home or place of business and thank you for your thoughtfulness.

Remember that Holland Cares and Shares and you who have been overlooked are a part of Holland and not only will the committee be thankful for your contribution, but the needy will be thankful a hundredfold.

You can help these hard working men and women for they are giving more than their share. You can help those for whom this drive is intended, and you can help Holland in helping it to go over the top in a big way. Holland has never failed. Let's not have it fail now.

Jacob Boes, 94 East 23rd St., has been granted a building permit to repair his home which was damaged by fire Sunday. The cost was estimated at \$875.

## Turn the Hands of Your Clock Back Saturday Night

Zeeland goes hand in hand with Holland and with the entire country side in going back to Central Standard Time. Holland, Zeeland, Saugatuck, Douglas, Hamilton, Overisel, Drenthe, West Olive and the rural districts are now or will start Saturday on Central Standard Time so be sure and set the clock back one hour before you go to bed Saturday night.

The Holland aldermen for a second time voted to keep the time on the schedule arranged by Uncle Sam fourteen years ago as a war measure—to save fuel and light and Holland has always remained steadfast to this arrangement from year to year.

At a special council meeting Saturday night the Zeeland council decided to return to Central Standard Time November 1. The time schedule will continue until April 1. The Zeeland council took the step since there was quite a demand for the old time in Zeeland and as many Zeeland persons either work or attend school in Holland.

Where Grand Rapids has always made a mistake is in not inviting their neighbors into conference on this time question. We are sure that Holland, Zeeland, Grand Haven, Allegan and Muskegon city officials would be pleased to sit in at a conference and discuss the regulation of the clock, placing it on a permanent time basis, not a schedule that will "change with the wind." Holland wants to be neighborly but in this matter we feel the neighbors should be called in and at such a meeting this vexing question can and would be amicably settled for good.

## CHEST RESPONSE IS VERY GRATIFYING

The total amount necessary this year for the Community Chest is \$20,800.82. As the News goes to press the chest committee was busy tabulating the amount received which was 13,725.85 and still several committees had not reported for the evening and some of the manufacturing firms had not sent in their totals although most of these had reported their contributions.

Chairman Vandenberg stated that it was impossible to give the total received during the last two days tonight, but the returns show gratifying increases all along the line.

The schools "came across" at least double. Other names hastily mentioned for larger subscriptions were Hart & Cooley, Post Office, Holland Furniture Co., Holland Aniline Dye Works, West Michigan Furniture Co., Mosser Leather Co. and other names to be given later.

But remember the drive isn't over yet. If you have not been approached, please do "your bit" call up the Chamber of Commerce 2455 and tell them you will help.

## HOLLAND FURNACE SALES IN SEPTEMBER NEAR PEAK

Grand Rapids Press—Holland Furnace Co., manufacturer of residence heating and air conditioning equipment, reports retail sales volume only 1/2 of 1 per cent below that of September, 1929, the largest September in the 25 years of the company's existence.

Mrs. Marie Kuhlman is slowly improving at the Holland hospital where she was taken last week after a fall in which she fractured her leg near the hip. Doctors did not set the limb on account of her age. Mrs. Kuhlman will be 100 years old on February 11.

Mr. and Mrs. L. Overbeek have moved from East Thirty-fourth St. to a residence at 100 East 20th St.

## Ottawa County Farmers Buy Much Grain

FIGURES SURPRISING — NOT  
SO MANY FARMERS  
AS FORMERLY

Ottawa county farmers last year purchased over \$800,000 worth of grain and grain products to feed livestock and poultry, according to figures just released by Agricultural Agent Milham. This means that every farmer in the county spent for grain and feed at least \$225 last year.

The approximate amount of grain purchased last year by Ottawa farmers which was shipped in by local elevators and dealers was 275,000 bushels of corn and 200,000 bushels of oats and barley and 3,000 bushels of wheat. In addition to this 2,000 tons of bran, 425 tons of middlings, 850 tons of cottonseed, 1,900 tons of oil meal and dairy feeds were shipped in. These figures, states Mr. Milham, are surprisingly large yet may be proven by checking. They prove that there is an overproduction of grain is not true in Ottawa county.

Census figures released in Ottawa county also indicate that there has been a large decrease in the acreage of all farm crops in the last ten years excepting alfalfa and barley. Mr. Milham recommends that farmers test their soil and apply manure or lime if the soil is acid. Manure will give as quick results at a lower cost and will last longer in the soil than limestone but requiring more labor to apply. Grow more alfalfa. An acre of alfalfa will produce over 500 pounds of protein a year while timothy will produce only 160 pounds. Grow more sweet clover, red clover and soy beans on the heavier soils and vetch on the sand soils. Soy beans can replace cottonseed in the dairy ration and should be more generally grown.

Take better care of farm manures to conserve loss of fertility. Continue the judicious use of commercial fertilizers. Keep sand well covered to prevent blowing. Use home grown grains as a basis for feeding and purchase sufficient concentrates to make a balanced ration. Feed dairy cattle according to their production and test. Cull out and sell unprofitable cows and chickens. Grow more of the grains that are shipped in such as corn, oats and barley instead of purchasing them. Control insects and fungus diseases by spraying and treating. Secure disease free seed potatoes for planting. Field select seed corn and potatoes to eliminate diseases in seed stock. Protect against loss from parasites and diseases in poultry, Bang's disease in dairy herds and cholera in swine. Keep a system of farm accounts.

Write your problems to the agricultural agent. No charge is made for any information, service or farm calls. The few cents in taxes paid each year covers the entire cost.

## ALLEGAN AGRICULTURAL SOCIETY PICKS DIRECTORS

Directors were elected at the annual meeting of the Allegan County Agricultural society and they will elect their officers within ten days. Only one member of the 1931 board was retained. He was Elmer Bargwell of Plainwell. Other new ones are: Rollo Mosher, Wayland; Ernest Clair, Trowbridge; Mark Hutchinson, Fennville; Chas. Brand, George Horan, L. Kolvord, T. R. Ward and Glenn Gordon, Allegan.

Mrs. George C. Borch of this city and her son, Charles, of Detroit, left today for a visit with Mr. and Mrs. George Graham in Cleveland. Mrs. Graham is a daughter of Mrs. Borch—Muskegon Chronicle.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

Louis Schoon of Zeeland was made happy by the presentation of an 8-lb. daughter Saturday.

Croquet playing at this time of the year is rather cold sport and considerably out of season but it is still played by the ladies of this colony on the coldest days.

The new barge, built at Robinson's shipyard at Grand Haven for Capt. Frank Brouwer, is ready for launching. Mr. Brouwer next summer will use his boat in the passenger business on Black Lake between Holland and the mouth of the harbor.

Mr. August Lundblad has on sale in his sample rooms on Main Street genuine Holland gin which we are not afraid to pronounce excellent. He also has the popular "Celery Rock and Rye" which is advertised as a cure for sore throats and weak lungs. Note: Who was that editor anyway? Surely not in favor of the 18th amendment! Eighth Street was always called "main" in those days, and saloons were "sample rooms." The Lundblad saloon was where Dick Boter's store is now.

This is the last week of the new fangled talking machine in Saugatuck. Those who have not yet heard this wonderful machine talk and sing, should do so this week, as it will be sent to Detroit next Monday. A young man by the name of Edison invented it and expects great things from it. The machine was at Lyceum Hall at Holland some time ago.

### TWENTY-FIVE YEARS AGO TODAY

Mrs. H. D. Post has received a card from M. Everett Dick, written September 22, when within 18 days of Cape Town, South Africa. He wrote that he was feeling well; that the steamer passed through a cyclone September 9, losing 200 tons of coal. Mr. Dick was formerly science teacher in Holland high school. Note:—He is now manager of Buss Machine Co. and lives with his family on West 11th street.

Holland's tax rate is \$1.57 per hundred, and the total tax needs for city, county, state, school that must be raised is \$59,023.92.

Ben Brower has purchased from Henry Wickering a lot on West Sixteenth Street on which he intends building a modern home.

A daughter was born to Mr. and Mrs. Wm. Laepple at Zeeland. Laepple was formerly from Holland and is head of the telephone exchange.

Born to Mr. and Mrs. C. J. DeRoo, formerly of this city, a son, Note:

### FIFTEEN YEARS AGO TODAY

Mr. De Roo was at one time major at Holland and served on the board of public works. He was head of the Standard Grocery Co. He moved to Albion and later to Flint.

The Charles P. Lunbert Co. is building a new addition, 36 x 46 ft. to its plant. The Ottawa Furniture Co. is installing a new automatic sprinkling system as an added fire protection.

The Western Machine Tool Works starting here two years ago with a modest beginning is developing into one of Holland's leading industries. The machinery made there is finding a ready market in Europe and other foreign countries as well as at home.

### FIFTEEN YEARS AGO TODAY

Richard P. Hobson, the man who swam to the Merrimack when it was run across the channel mouth of the harbor of Santiago de Cuba thus bottling up the Spanish fleet and practically winning the Spanish American War, will speak at Carnegie Hall on the issues of prohibition. Note:—Michigan was in one of the hottest wet and dry fights during its existence and Hobson, who is a southern dry, was brought here to speak.

Rev. D. R. Drukker of Kalamazoo will come to Holland to give some new points on the prohibition question. He will speak at Ninth St. Chr. Ref. church.

The Holland City News devotes a column to the Wing-Guild marriage. The contracting parties were Miss Hazel Wing of Holland and Leslie F. Guild of Topeka, Kan. A few of the details are these:—The wedding took place at Hope church. Dr. Ame Venema, president of Hope College officiated. An elaborate description was given of the bride's appearance and dress. Also of the church decorations. Miss Helena and Master John Lloyd Kollen were ribbon bearers. Miss Grace Browning was maid of honor.

Mr. Harris Meyer played the wedding march. Mr. Charles M. McLean and Mrs. Frances Browning acted as master and mistress of ceremonies. The ushers were Messrs. Hollis Baker of Allegan, Hoyt Post, Adrian Van Putten and Sears McLean. The happy couple left on a wedding trip to New Orleans. Miss Wing is the daughter of Mr. and Mrs. Wm. H. Wing, living at West 13th St., and the young couple will make their future home in Topeka, where they still reside fifteen years later.

Izzy Altman of the French Cloak Store, has returned from a buying trip to Chicago. Note:—"Izzy" is now in Cleveland, doing well, and John Van Tatenhove is now owner of the French Cloak Store.

## Local Man is to Appoint School Census Takers

NEW LAW PROVIDES FOR 20  
ENUMERATORS INSTEAD OF  
MORE THAN 100

Gerrit Groenewoud of Holland county, school commissioner, is to name the rural school census takers in the future as provided by a new law. In an interview, Mr. Groenewoud says that it might be of interest to the people of Ottawa county to know that we have just completed the census of the schools of Ottawa county. During the past three years there has been a gradual increase as follows:

1929	9,499
1930	9,647
1931	9,785

The above figures do not include the census of the three cities, Holland, Zeeland or Grand Haven. These are three separate units. Holland township leads the list with 1,223 children, Georgetown is next with 1,055.

During the past years the census has been taken by the directors and then worked out in a commissioner's office, which takes approximately four months.

A law has been passed by the recent state legislature that after this the school census will be taken in larger units by men and women appointed by the county commissioner of schools. The taking of the census will then be entirely under his supervision. His present plan is to have it taken by townships unless within the township, there are districts which have 400 or more children. Such a district will be a unit by itself. Having only 20 enumerators instead of 127, the commissioner of schools will be able to have more direct supervision of the taking of the census. These 20 enumerators will be appointed by the commissioner.

### FOOTBALL CRIPPLES THREE AT ZEELAND

Robert, six-year-old son of Mr. and Mrs. Nick Danhof, residing at Zeeland, fractured his left arm while playing with a football last Saturday.

James Wildschut of South Centennial street, Zeeland, fractured his left arm while playing football last Saturday.

Lester Hall, Zeeland, who suffered a fracture of his knee while practicing at football about three weeks ago, has returned to his home on East McKinley street.

### SAUGATUCK HALLOWEEN FOR YOUNGSTERS

Saugatuck will have its second annual Halloween frolic Saturday in the school auditorium. It is sponsored by the Chamber of Commerce. There will be a costume parade through the business streets, headed by the high school band, Boy Scouts and Camp Fire Girls. The whole town is asked to mask and join in the frolic.

The event last year was so successful and the boys and girls so appreciative that a window was soaped nor an act of vandalism done.

### GOLF BALL DRIVEN THROUGH WINDSHIELD

Stephen Mead, junior high school principal of Grand Haven, is displaying a golf ball, slightly cut about the edges and a windshield with a hole in it. The Mead car was left parked in the fourth block on Franklin street for a time late yesterday and when Mr. Mead returned, he found a neat hole in the windshield. Looking around, instead of the stone he expected, he was surprised to find a golf ball.

### ONE DIES, 4 HURT, AS STREET CAR AND TRUCK CRASH

FARM DRIVER DOZES, WAKES  
ON WRONG SIDE OF STREET  
TOO LATE

Chicago Daily News—One man was instantly killed and four others were seriously injured early Monday in a collision between a State street car and the swaying trailer of a huge truck at 43rd street. All of the victims were passengers of the street car, one side of which was entirely torn away by the force of the impact.

The man killed was Louis Pinto, 4449 Greenview ave., a salesman for the Gordon Baking company at 5324 Federal st. His neck was broken when he was crushed into the wreckage of the street car.

The injured, all of whom were taken to the Provident hospital are: Robert Hall, 4244 Wabash ave.; George Whitley, 4755 Prairie ave.; Matthew Evans, 6419 Vernon ave.; and Clarence Worthy, 5449 Indiana ave. All are colored.

Marvin Etterbeck of Hamilton, Mich., the truck driver, was transporting a double load of celery from Michigan farms to the Chicago markets. Dozing as a result of the long drive, he awakened, he later told the Wabash ave. police, to find himself driving in the left side of the street and the street car bearing down on him.

Ernest Neilson, motorman on the street car, managed to step back just in time to avoid serious injury. Etterbeck was held by the police.

The Holland City News has made inquiry relative to young Etterbeck who is being held in Chicago. He is a young man of fine character and much thought of in Hamilton. It is difficult to get all the details of the accident, but it is well to withhold judgment until all the true facts are known.

Biology pupils of Holland High school have collected more than 50 different species of mushrooms and are making a survey of their characteristics, habits and economic importance.

## BRING THEIR DEAD TO HOLLAND

Last week Peter Jansma of Holland had the remains of his parents taken from the Vriesland cemetery to Pilgrim Home Cemetery in Holland. Mrs. Jansma died eight years ago and Mr. Jansma died 30 years ago. They were known to most of the older folks living around Vriesland and Forest Grove, having lived on the farm now occupied by Tom VanderMeer. The family of Peter Jansma have long contemplated having the bodies removed to the city where they have made their permanent home.

### THREE BANKS HELP THE CHEST FUND

The three Holland banks after a meeting jointly gave \$750 to the Community Chest to help those in need in Holland.

The local banking institution have done much for Holland during these many years and it shows their "care and share" with others when the great need is present.

### REPORTS JUNE LILY IN BLOOM IN GARDEN

"It's the flowers that bloom in the fall tra-la," this year. Miss Agnes Koster of Grand Haven, reports she has a beautiful white June lily and hollyhocks blooming in her back garden. Lilacs have been reported and apple blossoms and other fruit blooms are coming out for the second time this season.

The weather this fall has been a round of beautiful days with little wind and soft gentle rains that have only partly marred the beauty of the glorious fall coloring. Sailors declare it is one of the most remarkable falls ever seen on Lake Michigan as thus far not a single severe storm has been encountered. Frosts have been moderate and grapes even yet are being picked in some sheltered spots. Fruit still hangs on the trees and fall plowing is being started with prospects of being completed before the snow flies.

### ZEELAND SCHOOL BAND HAS GIRL DRUM MAJOR

Now if you see the Zeeland school band on parade you will also see a pretty girl "strut her stuff" at the head of this organization.

The senior band has at last chosen a drum major. For a number of weeks they have been searching for one, and many have tried for the position. Elizabeth Hofmann was finally chosen.

The band, led by its new drum major, furnished by music at the Coopersville game. The young lady expects to lead her band at Grandville with the team on Nov. 6th.

### REFORMED MEN MEETING IN ZEELAND TODAY

Delegates from 75 societies of the National Federation of Reformed Men's societies are meeting in Zeeland this Thursday for the annual meeting of the organization. The day session was held in Third Christian Reformed church.

A mass meeting is scheduled for this evening where representatives of all the organizations in Michigan are expected to join in the program with the delegates. Prof. W. H. Jellema of Calvin college will be the speaker. This meeting will be at First Christian Reformed church. Henry Hekman of Grand Rapids, president, will preside and Rev. W. Kok of Zeeland will lead singing. Both the afternoon and evening meetings were open to the public.

### HOLLAND MAN LOSES 4 FINGERS IN PROPELLER

George G. Bosman of Holland lost four fingers of his right hand while working on an airplane at the Holland airport Sunday afternoon. Bosman was waving at friends when his hand came into contact with the whirling propeller. He was treated in Holland hospital.

### RURAL TEACHERS WILL MEET WEDNESDAY AT BECHHOOD

The next meeting of Ottawa County Rural Teachers club will be held in the Beechwood school north of Holland on Wednesday evening, November 4, at 7:30 p. m. Miss Ida Kelly of the department of public instruction will be on the program to discuss the county examinations with the teachers. This will prove to be very instructive so all teachers are expected to be present. Musical numbers will be rendered for entertainment.

### LEGISLATIVE MANUAL WILL BE READY

The Legislative Manual, familiarly known as the "Red Book," will be ready for distribution by the Department of State in about two weeks. The manual is published every two years under a law which orders its distribution without cost to county officials and libraries. It may be purchased at cost from the Department of State by private individuals and companies.

### IS 95 BUT NOT TOO OLD TO PAY HIS DEBTS

Mr. Arend Schipper, former resident of Zeeland, who has been living with his children in Jamestown during the past few years, has returned to his old town and is now living with his nephew and niece, Mr. and Mrs. Jacob Timmer, on South Maple street.

In spite of his advanced age of ninety-five years, Mr. Schipper is still very active, although a little deaf. He prides himself on being one person who is debt-free.

First Reformed church this month will mark the eighty-fourth anniversary of its organization. The church, the oldest in Holland, was founded by Rev. A. C. Van Raalte and recent statistics show a constituency of 340 families and 833 communicant members. Its Sunday school lists an enrollment of 1,053, the second largest in the Reformed Church in America in the west.

## Hoover Signs Delayed Ottawa Land Grant

LAND TITLES NOT ALWAYS  
CLEAR EVEN AFTER  
HALF CENTURY

Albert Stegenga of North Holland came across an unusual case the other day where it was found that a farmer's land had no clear title, not since 1852 when the land grant was made by the government.

Mr. Stegenga handles farm loans for the Federal Land Bank & Loan Co. of St. Paul, Minn. In order to place a loan on a farm, the property must be absolutely clear as to title. This is easy enough to find out from the proper sources. An investigation proved that Uncle Sam had never transferred this government land to anybody and the grants in that particular section were made in 1852. The man who squatted on that land nearly 75 years ago had no clear title because he did not have the government grant. Of course, the land had many owners during that period but at last it became the property of Harlan Bennink, living about three miles from Coopersville. This brought about an unusual situation and no farm loan could be given until this matter was cleared up. Mr. Albert Stegenga got in touch with Washington, got the original certificate, giving a clear title as far as the government is concerned. When the title arrived it was signed by Herbert Hoover, president of the United States.

Bennink naturally was pleased when the land grant, which was delayed three-quarters of a century, was handed him by Mr. Stegenga. All the titles were clear with the exception of the first one which was when the government gave land in unsettled districts at 10 cents an acre. But this matter had to be cleared before the land bank would make a loan on the property in question.

Mr. Stegenga has been selected as the person in Ottawa and Kent counties to take care of farm loans of that description and he recently attended a convention in Grand Rapids, where E. E. Thwing, assistant secretary, was the speaker. Other attendees were J. Kenna of Zeeland, Albert Nienhuis of Holland, William Kien of Zeeland and George Borch of Grand Haven. There were several other speakers and this incident of the government grant was brought up and it was considered very unusual that a few in a title would have back to the days when the Indians were still living here in their wigwags in Ottawa county's dense forest lands.

### SCOTT-LUGERS MAKING BOX FOR BIRCH THE MAGICIAN

The Hope College Lecture Bureau has secured Birch, one of the most eminent magicians of the nation, who is to come to Holland next week Friday night at Carnegie hall. Birch makes the challenge that he can be nailed into a strong box and escaped within a few minutes. The Scott-Lugers Lumber Co., is making the box and believe us John Kooker will have it made strong with plenty of nails. This box will be placed on the stage and Birch will be nailed in it and it is up to you to get out of it.

It is one of hundreds of feats that this clever man will perform. One other outstanding feature is to have a pony sail out over the audience, and we all know that ponies have no wings, but then Birch knows how and it is up to you to find out.

Birch comes with unusual stage settings that will help to attract together with the program to be offered.

### ALUMNI BANQUET TONIGHT

Members of the Hope college alumni and the junior classes will hold a banquet at Central Reformed church, Grand Rapids, Thursday evening, J. J. Riemersma, president of the club and principal of Holland high school, will preside and the principal address will be given by Dr. Wynand Wichers, president of Hope college. The banquet is part of the homecoming celebration to be held Friday and Saturday. The complete homecoming program is found elsewhere in this issue.

### LOCAL MERCHANTS TO OBSERVE HOPE COLLEGE HOMEcoming

Cornelius Dornbos, president of the Holland Merchants' Association, urges all merchants to display the Holland pennants all day Saturday in observance of Hope College homecoming.

The merchants are also requested to keep the lights in their display windows turned on from 7 o'clock until 10 o'clock Friday and Saturday night.

### HALLOWEEN PARTY

Mr. and Mrs. Ray Nykamp entertained the employees of the McLaughlin store at a Halloween party at their home on 21st street last evening. The first part of the evening was spent in playing Bunco, after which a delicious midnight lunch was served by the hostess. Later games were played and prizes were awarded to Kay Postma, Henrietta Van Lier, Mr. Dahl, and Mr. Pythick.

Guests left at a late hour and after a drive to Zeeland returned to their homes reporting a splendid time. Those present were: Gertrude McLean, Kay Postma, Henrietta Van Lier, Muriel and Kay De Vries, Gertrude DeHaan, Esther Haggema, Mr. Dahl, Mr. Pythick, Mr. Folmer, Mr. and Mrs. Nykamp and daughter Sylvia.

Herbert Harrington entertained his nephews Wendell and Arthur Ward and their respective families at the beautiful Harrington home at Virginia Park.

## READY AND "RARAN" TO GO

Coach Breen's Holland High Squad who will go to Grand Haven and play the "Big Game" of the season

## HOLLANDERS DOPED TO WIN FROM COORSMEN, AC- CORDING TO PRE- VIOUS SCORES

Grand Haven Tribune—More than the football championship of Ottawa county is at stake in the annual clash between Holland and Grand Haven at Perry Field Saturday. Both teams have not enjoyed success on the gridiron thus far this season, Holland having lost three Southwest conference games and Grand Haven two. The ancient rivalry between the two schools, which dates back to 1903, will be much in evidence and records of both teams this season will be thrown to the winds and the proverbial "dope bucket" will not have a look in.

Holland and Grand Haven will be fighting Saturday to keep out of the cellar of the league. If Grand Haven takes down Holland the Blue and Gold have a good chance of ending the season in fourth place, although Muskegon Heights, Grand Haven's foe Nov. 14, must come into consideration. Holland needs the Heights Nov. 21.

According to dope Coach Jerry

Breen's Hollanders are expected to make it four straight victories in as many years. Grand Haven has not won from Holland since 1927 when Louis Japenga, Tanis & Co., were covering for Holland and such stars as Trumie Pippel and Frankie Pellegroni were wearing the Blue and Gold. The handsome football trophy, donated by Huisenga, jeweler, several years ago, was won by Holland last year.

Previous scores mean nothing when Grand Haven meets Holland and the score will be in doubt until after the last gun. Although Grand Haven has been defeated this year by some of the largest scores in grid history, it may be assured that the Coorsmen will again show their best football in the Holland-Grand Haven feud.

It will not be a battle of champions Saturday, Kalamazoo Central, a common foe, took down Holland by three touchdowns and beat Grand Haven by six touchdowns. Both teams took a terrible beating from Muskegon while Holland holds a 19 to 0 victory over Grand Rapids Crestons, a team that tied South victors over Grand Haven by 53

points. Grand Haven will have to watch Harry Irvin, Holland sophomore, halfback, whose services were not used in the Benton Harbor game, which Holland lost 7 to 0. Muskegon won from the Harborites, 13 to 7. Holland enjoyed an open date on Saturday while Grand Haven was pretty well battered up by Kalamazoo.

Les Peterson, who has been out of the game for four weeks has returned to the squad and will probably start at halfback in Henderson's place. Henderson, whose defensive play and end running, together with his punting stood out in the last three games, has been declared ineligible for the Holland game. He is reported to be having troubles with his studies.

A rigid coaching practice was used by Coach Breen last night to get his boys in trim for the Holland game. The Reserves, hoped to take down the Hollanders Saturday made consistent gains through the first squad. Peterson did not get in to the scrimmage but spent the afternoon warming up. The rest of the team is reported to be in good condition.

Members of the Michigan Christian Teachers association opened their meeting in Neland Avenue Christian Reformed church, Grand Rapids, this Thursday morning for the first session of their two-day convention there.

## HEALTH FAD SKEPTICS

The subject of how to live long is always of interest, which perhaps accounts for the eagerness of the average mortal to seize upon various methods which are recommended for promoting health and longevity, such as doing daily exercise to radio music and the like.

In spite of all the propaganda on the subject, however, there are many who are skeptical regarding the real benefits of strenuous physical activity. One of these wrote a letter to the Cleveland Press, pointing out that Walter Camp, famed athlete and originator of the "daily dozen," died at 65, while he, the writer, had never taken any kind of exercise to speak of and was still in excellent health, although a great-grandfather. He added that "the longest-lived people are the physically lazy but mentally alert."

Commenting on the letter, William Feather, a well-known editor, declares that several years ago he adopted a vigorous health program, including vegetarianism, cold baths and the daily dozen, with this result:

"Acute indigestion led to the abandonment of vegetarianism on doctor's orders. Another doctor recommended discontinuance of cold baths. The daily dozen are still pursued, but faith in them has been shaken by the untimely death of their inventor."

Still, we may find many who swear by the health fads and feel that their lives have been saved thereby. As the proverb has it, "What is food for some is black poison to others."

## M. LINDEMAN READS PAPER AT SOCIAL PROGRESS CLUB MEET

The members of the Social Progress Club met Tuesday evening at the home of Mr. and Mrs. W. C. Slater, 20 Graves Place.

Marvin C. Lindeman presented a paper on the subject "Whither Bound?"

Mr. Lindeman stated that prosperity had spoiled the present age, in not fitting it to endure a depression. The cry of a world-wide depression hinders the vision of a better age. He mentioned that America was waiting for world conditions to improve instead of improving conditions at home. Mr. Lindeman said that each nation must solve its own depressions.

## Holland Post Office Will Get Share of Stamps

WASHINGTON AND VALLEY FORGE SCENE, WELL KNOWN FROM HISTORY, PICTURED ON STAMPS AND ENVELOPES

Twelve different portraits of George Washington and a representation of Mount Vernon, his famous home, will be reproduced and perpetuated on a new United States postage stamp and envelope series to be issued Jan. 1, 1932, commemorating the bicentennial anniversary of his birth and Holland will receive its share, Postmaster Ed Westveer states.

Each of the portraits will be different than used before on postage stamps, although the various colors will be the same as on the current issue from one-half to 10 cents in denomination.

A new series of stamped envelopes will bear the reproduction of Mount Vernon, while the various portraits will be on stamps of the following denominations: one-half cent, one, one and one-half, two, three, four, five, six, seven, eight, nine and 10 cents. The envelopes are of one, one and one-half, two, four and five cent denominations. The one-half cent stamp of regular size will be dark brown in color and will bear a likeness of Washington taken from a miniature painting by Charles Wilson Peale, the original of which is hanging in the Metropolitan Museum of Art.

A reproduction of the bust of Washington by Jean Antoine Houdon made in 1785 and now in Mount Vernon will appear on the one cent stamp, which will be printed in green, just as the present one cent U. S. stamp.

A likeness of Washington modeled from a painting known as the "Virginia Colonel" made at Mount Vernon in 1772 by Charles Wilson Peale, forms the basis for the one and one-half cent stamp, done in a light brown color.

The two cent stamp will be printed in red, showing a portrait of Washington painted by Gilbert Stuart in 1796 at Germantown, Pa. This likeness is known as the "Athenum" portrait, the original of which is now in the Boston Museum of Fine Arts.

Purple ink will be used in printing the new three cent stamp. Washington in the uniform of a colonel with cocked hat reproduced from another portrait by Charles Wilson Peale painted at Valley Forge in 1777 was used for the design of this stamp. The original is in the State Normal school at Westchester, Pa.

A fourth portrait also painted by Peale in 1777 and now in the possession of William Patten, Rhinebeck, N. Y., has been used in preparation of the new four cent stamp, which will be printed in a warm brown color.

The regular blue will be used for the new five cent stamp with a fifth painting by Peale forming the central design. The New York Historical society owns the original.

The six-cent stamp in a bright orange color will set off another portrait of General Washington painted by John Trumbull in 1792, now hanging in a Yale university building.

The seven cent issue will be printed in black ink with a white edge and gray paneled border on the sides and top. A second portrait by Trumbull depicting the head and shoulders of a full-figure painting of Washington in colonial uniform will adorn the central portion of the stamp.

A stamp of olive green included in a white line border will bear a replica of a crayon drawing made from life by Charles B. F. St. Meurin at Philadelphia in 1798 and the figure "8."

The Masonic lodge of Alexandria, Va., is in possession of a pastel portrait of Washington drawn from life in 1794 by W. Williams to be reproduced on the pink and white nine cent issue.

The ten cent stamp also will be orange color bordered by a narrow panel with dark center and white edges. A painting by Gilbert Stuart made in 1795, known as the "Vaughan portrait" and now owned by S. P. Avery, will form the central design.

The numerals "1732" and "1932" will be embossed on the various denominations.

The bicentennial commemorative envelopes will be issued in extra quality paper of clear white color. The design for all denominations will be the same, namely, a representation of Mount Vernon. The colors will be as follows: One cent, green; one and one-half cent, brown; two cent, red; four cent, black; and five cent, in blue ink.

The stamps and stamped envelopes will be first offered for sale on Jan. 1, 1932, at the postoffice in Washington, D. C., and at the Philatelic Association, Post Office department, Washington.

They will be placed on sale at all other postoffices in the country, including Muskegon and Muskegon Heights, on Jan. 2, 1932.

Postmasters have been requested to place their orders for enough to supply local demands on or before Nov. 15.

## ADVANCE PRICE FOR GRAND HAVEN-HOLLAND GAMB SATURDAY CUT

Tickets to the Holland-Grand Haven high school football game to be played at Grand Haven Saturday are cut in price. Those tickets if purchased Thursday and Friday may be obtained at a price of 35c, a saving of 15c from the 50c admission which is usually charged, and which will be charged at the gate.

School authorities are making this reduction, Glenn H. Olsen, principal of the high school said today, in order that those who have found the 50c price prohibitive.

## County Budget Is Slashed By County Board

\$79,000 CUT INCLUDES \$55,000 FROM SINKING FUND IN ECONOMY ATTEMPT

Ottawa county's total tax for 1932 will be \$209,394.61 less than last year's, the report of the committee on taxes and apportionment revealed.

The total for this year is \$1,719,150.80 including state, county, school, road, drain and other taxes. Last year's total was \$1,928,545.41. The board adjourned until Jan. 11, following the adoption of the report. The finance committee report showed a reduction of \$79,053.65 in county tax and reductions in the state and road taxes.

Grand Haven's portion of the total county tax is \$336,061.89 and Holland's \$553,089.54. Spring Lake township's total tax is \$84,424.04; Grand Haven township \$22,849.89; Crocker \$22,924.24; and Robinson \$15,688.38.

The committee on good roads reported unfavorably on a proposal to purchase some land on assessment road number 13 near Holland. It was discovered this morning the prosecutor's expenses were included in the finance committee's report on salaries and the board voted to eliminate them. William Ver Duin of Grand Haven moved that the prosecutor, John R. Detmers, be designated legal counsel for the road commission with a salary increase of \$500 per year, the amount to be paid by the commission.

The matter of submitting the matter of retention or abolition of the health unit, agricultural agent and home demonstration agent, to a vote of the people in April, was put over to the January session.

The prosecutor could find no law under which these offices could be voted on but suggested a ruling from the state attorney general to make the legality of such a vote final.

The soldiers' relief fund was increased to \$2,500 and the prosecuting attorney's services to the county road commission was allowed for \$500. A cut in his traveling expenses from Grand Haven to his home in Zealand about equals this amount and even up his salary to the amount paid last year.

Elimination of the \$55,000 sinking fund appropriation this year was deemed advisable in the interests of lowering taxes even though a refunding bond issue should be necessary later. Salaries of county employees are less, the total being \$60,495 as against \$63,145 in the 1931 budget. The cuts were in the agricultural and home demonstration department. The general fund was left at \$25,000.

The county infirmity appropriation received a big cut, \$10,000 being voted against \$16,500 last October. There was also \$25,000 for infirmity expansion on last year's budget. The soldiers' relief commission, overdrawn nearly \$500 in excess of its present appropriation of \$800, was boosted to \$2,500. Mother's pensions were \$3,000 higher, \$45,000 as against \$42,000 for the past year. Interest on bonds remained the same, \$22,440, but the Covert road fund shows a decrease from \$56,933.78 to \$53,255.13.

As a special order of business submitting the question of retention or discontinuance of the county health unit and agricultural and home demonstration units to the people, was considered at the session this morning. The prosecutor ruled that nowhere could he find authority to submit the question to the people. He suggested the matter be referred to the attorney general, and the matter was held over to the January session.

Not in years has the board had as stormy a session as the one concluded this morning; the main issue centering around the three departments. At H. Stogener's suggestion the board brought the matter up again at the meeting Friday afternoon to submit the question to the people and it was referred as a special order of business today.

## BIRCH TO APPEAR HERE

Magician, Thurston's Successor, Here

Announcement was made today that Birch, the famous magician, whom Thurston, reigning king of magic, has publicly declared to be the only magician sufficiently talented to be his successor, when he retires from the stage in the near future, will play an engagement in this city, Nov. 6th at Carnegie hall.

The announcement that Birch has agreed to present his production here and that the contract for the engagement had been signed was made by the Hope College Lyceum managers whose efforts were responsible for securing an opportunity for people to see the remarkable array of magic and illusions, which the magician presents in his performance.

The Birch show is one of the largest magic shows that has ever toured this country. Equipment, fittings, scenery and effects valued in excess of \$25,000, are carried and will be seen at the local performance. Of the entire mystifying array, in which are included many illusions which baffle even the understanding and eyes of other magicians of prominence, perhaps the most interesting is that of the Vanishing Pony, in which Princess, a beautiful miniature horse, is caused to disappear into thin air.

The current tour is Birch's eleventh annual one and he has in that length of time gathered together a most impressive program of mystifying illusions and manifestations of magic. His breadth of experience as a magician and his own attractive personality make him one of the most capable and pleasing entertainers the magic world has ever produced.

Hope Troupers St. Mary's to the Tune of 39-0

Last Saturday the Hope gridders romped over a heavy, but inexperienced eleven, representing St. Mary's of Orchard Lake, to the tune of 39 to 0. As usual Hope was outweighed almost 10 pounds to the man, but nevertheless the squad had little difficulty in running up this imposing total even though Coach Hings substituted frequently.

During the first half, when most of the regulars were playing, the Dutchmen collected 27 points. Following the intermission, however, the reserves were prevented from by a terrific downpour.

## KROGER ISSUES MENUS FOR BUDGET-SAVING

Distribution of budget-saving menu pamphlets is being carried on by Holland Kroger stores in connection with the budget-saving menu service just inaugurated by the Kroger Food Foundation. The pamphlets contain food buying pointers intended to show housewives how to "cut the corners on food costs and still maintain their food standards on reduced budgets."

Complete menus for a family of four for three meals a day over a two-week period are presented as well as recipes and marketing lists. There are two divisions, one for a budget of \$15 a week and another for \$10.

## Ottawa Bankers Back Hoover's Confidence Plan

LOCAL BANKERS JOIN BANKERS OF NATION ON PRESIDENT'S PROGRAM

Most of the bankers of Ottawa county including Henry Winters of the Peoples State Bank, C. Vander Meulen of the First State Bank, and Otto P. Kramer of the Holland City State Bank were in Detroit where the bankers of Michigan met to get back in President Hoover's plan when the bankers of the nation formed a pool backed by nearly a billion dollars for the purpose of starting the wheels of industry going and there will be ready money available to promote industry throughout the nation and start the life's blood, which is ready money, coursing again through the industrial veins. The effect is already apparent in the east where factories are being employed, and much labor is being employed.

In Michigan there is a slight tendency toward better industrial conditions in some of the big centers. The thing is to get the industrial ball rolling and then like a snowball, it will gather in size and slowly toward normal business conditions again. There is a more optimistic spirit in business circles and by the looks of the personnel on the committee to handle a part of this national fund for industrial purposes Holland and Ottawa County are in close touch with the big financiers of this group. Our own Senator Arthur Vandenberg played an important part in bringing this Hoover proposal to a head. Joseph H. Brewer, former owner of the Holland Gas Company, is one of the men in this group. Mr. Sherwood, banker of Grand Haven, who has many friends and relatives living in Holland is also on the committee.

Altogether there were 400 Michigan bankers present and nearly all reported that since President Hoover made public his proposal confidence generally was returning in their community.

Robert O. Lord, president of the Detroit Guardian bank in addressing the group said the plan had been erroneously described as a move to help bankers.

"Greater emphasis should be placed on the idea that it will help business and the individual," he said. "This re-establishment of confidence should gradually increase the volume of buying and should bring from safe deposit boxes and other hiding places literally hundreds of millions of dollars, which so far as commerce is concerned, might just as well not be in existence."

If money is not available to start industries going it cannot help but bring stagnation in business which will be a tremendous loss to the unemployed. The nation cannot be prosperous unless men and women have work to do. This country never had more money than it has today, never had more raw material, never had more manufacturing plants and better manufacturing tools to work with. The products of the farm and food was never so abundant. What are we waiting for? We have everything to do with, ready to go but we need a little steam in the way of confidence.

Friday evening, in spite of Nature's tear-washed face, the new girls were given a smiling welcome by Mrs. Durfee in the chief of her series of teas. This time Sorosis entertained in the form of a regular meeting with Miss Marie Kleig, the Sorosis president, in charge.

Devotions were led by Sorosis Vera Van Duren. The business meeting was a clever outline of the history, ideals and purpose of the oldest girls' society on the campus. The program consisted of a marine solo by Sorosis Hilda Lanting, who played "Mighty Lak" a Rose, by Nevin, "The Perfect Day" by Bond, and "The Bosny" also by Nevin as an encore. She was accompanied by Sorosis Gertrude Holleman. Sorosis Jeanette Herman and Esther Koster presented a skit which included the singing of the popular songs, "Beautiful Love" and "The Hour of Parting," by the "Sorosis Nightingale." The meeting was adjourned to delicious refreshments and a social hour.

Miss Ross, a Sorosis alumna, was guest of honor.

## HOLLAND CELERY PLANTER WINS IMPORTANT PATENT DECISION AT WASHINGTON, D. C.

The law firm of Diekema, Cross & Ten Cate of Holland has received notice from the Patent Office at Washington, D. C., that an important decision has been made by the Examiner of Interferences awarding priority of the invention of the celery planter means to their client, Mr. Louis Poll.

Mr. Poll, one of the persons operating under the name of Holland Celery Planter Company, filed an application for a patent on an automatic celery planting device, and afterwards it is held George Schutmaat of Hamilton filed an application on a similar device. The Patent Office declared an interference and ordered testimony taken, and a hearing on the same. Testimony was taken at Holland before Miss Gertrude Vanden Brink, as commissioner, and also in Kansas, and later a hearing was held at Washington, D. C.

The decision covers four typewritten pages and deals largely with the technical part of the machine in question—such as elastic grippers and non-elastic grippers and other parts of the machine that only a mechanic would understand. It also gives the different dates when the men in question presented their claims for patents on the celery planter and under what circumstances.

Shorn of all legal phrases and technicalities it appears that the Holland firm has won the decision in the patent office on the count in question. This matter has occupied the attention of the patent office for some time and both sides have won "counts" as these are termed in the patent office. In this instance the Holland firm through their attorneys, Diekema, Cross & Ten Cate have gained an effective victory for their clients. This decision is on the validity of claims for patents between two parties where there appears to be dispute and is decided according to government regulation governing patent questions of this nature.

The decision holds "It clearly appears that Poll is the prior inventor of the subject matter" and "Priority of invention of the subject matter in controversy is awarded to Louis Poll, the senior party."

This decision means that the Holland Celery Planter Company under the patent will have the exclusive right to manufacture and sell their automatic celery planting device on which there was a dispute.

Mr. George Schutmaat of Hamilton said that the decision would not prevent him from manufacturing and selling their device as the claim was not broad enough to halt this activity.

He stated the case was not in the nature of an infringement, but a matter of interference. He explained that although this recent count was awarded in favor of Mr. Poll, that he had won the decision on a number of previous claims in connection with the controversy over the planting device. Attorneys for Mr. Poll stated that this decision was an important one covering many other points in question.

The decision was signed by H. I. Houston Examiner of Interference of Patents at the Patent Office in the National Capital.

## CONDITION OF FUND SHOWN IN OTTAWA COUNTY BY COMMISSION

Condition of the Soldiers' Relief fund of Ottawa county was shown in a report from the relief commission to the county board of supervisors submitted by the secretary, George C. Borek, as follows:

Annual report of the Ottawa County Soldiers' Relief Commission. To the Honorable Board of Supervisors, of Ottawa County, Michigan: Gentlemen:—

The Soldier's Relief Commission of Ottawa county beg leave to submit this their thirty-sixth annual report for the fiscal year ending the thirtieth day of September, 1931.

The members of your commission are Dr. A. E. Stickley, chairman, Sam H. Bosch, and Geo. C. Borek, secretary.

Your commission would report that only a very few of the supervisors have reported the names of the veterans entitled to aid or relief under the provision of Act No. 214 of the Public Acts of 1899, and which has been amended from time to time, the last time in 1930, and under which your commission is operating.

The following shows the condition of the Soldiers' Relief fund of the county, showing the receipts and disbursements during the year: Deficit at end of year, Oct. 1, 1930, \$17.02.

The program of the Y.W.C.A. meeting of October 20, "Expectations and Impressions of Hope College," was entirely in the hands of the new members, mostly Freshmen. Dorothy Dulmer led the opening song service, accompanied by Evelyn Van Bree at the piano. The leader of the meeting, Marian Wray, introduced several Freshman girls, who in turn gave very interesting "expectations and impressions" of the religious, educational, and social sides of Hope College. "The Holy Hour," by Nevins, was next given as a violin solo by Cornelia Stryker, accompanied at the piano by Margaret Stryker. The leader then gave her own expectations, impressions and conceptions. The meeting was very interesting in that it gave the old members an idea of what the new members expected of them and also what they might expect from the new members in the future.

The term begins the third Monday in November and a week later the jury arrives to hear cases for trial. Indications are that the term will not be a heavy one as far as the criminal calendar is concerned.

The finance committee, including William Slater, Albert Hyma, H. J. Luudens, C. Roosenraad, and William Ver Duin recommended the following amounts to be apportioned among the townships of the county, which is as follows:

Allendale	\$24,052.05
Blendon	26,287.00
Chester	30,856.90
Crookery	22,924.24
Georgetown	47,587.81
Grand Haven Twp.	22,849.89
Holland Twp.	113,232.73
Jamestown	38,811.88
Olive	25,031.09
Park	96,834.67
Port Sheldon	11,791.68
Polkton	57,749.66
Robinson	15,368.38
Spring Lake	84,424.04
Tallmadge	31,879.64
Wright	44,185.59
Zeeland Twp.	83,578.79
Zeeland City	53,553.34
Grand Haven City	336,061.88
Holland City	553,089.54

Township and city assessors will take the above figures and establish the tax rates for cities and townships as the basis for computing the individual taxes throughout the county. These taxes are due in December.

MILK DEALERS SEND IN FOLLOWING REPLY TO MAYOR BROOKS REQUEST FOR LOWER MILK PRICES

Elsewhere in this issue will be found a request by Mayor Brooks for more reasonable milk prices and this request brought out the following reply sent in by the milk dealers.

A meeting of the milk dealers was held Wednesday night and a committee composed of Benjamin Speet, John Jappling and James Searson was named to compile the following statement:

"Referring to an article of recent date in regard to prices in Holland, the dealers beg to have the necessary information brought to the attention of the public.

"In recent years the milk ordinances have been drafted and restrictions enforced to insure residents here of a high grade of milk treated by the same methods that all modern milk plants use in Chicago and other large cities. We will gladly invite public inspection to demonstrate the treatment the product requires to comply with the law. As to comparing the prevailing prices in our neighboring city of Allegan where a price war is being waged, with local prices is unfair as there are no city restrictions governing the retailing of milk products in Allegan where overhead of handling is thereby reduced to a minimum.

"The local dealers wish to state they are not and never have used the provisions of the milk ordinance which was intended solely to insure the public a high grade of milk, for a shield to govern prices or competition. As a better grade of milk was demanded it required better herds and more stringent regulations in care of herds, resulting in higher cost of production. Ninety-nine per cent of the dealers here are paying the producers the same prices since the last reduction from 11 to 10 cents per quart, when by mutual agreement both producers and dealers sacrificed one half cent a quart.

"Milk dispensed in Holland is of higher quality than ordinary milk sold to creameries or condensers and the price to producers is considerably above butter fat prices. Any reduction in the retail price would only result in a loss to our dairy industries.

"We wish to be fair to all concerned, but as we are operating on a lower margin than dealers in our neighboring cities and being proud of the inspection reports on quality of milk and cream sold and on the sanitary conditions of the plants we operate, we are loathe to lower the price to the consumer which in turn would effect the price paid the producers. The prevailing retail price of pasteurized or Grade "A" milk and cream in Holland is not above rates paid in the surrounding community and in Grand Rapids, Grand Haven, Muskegon, Kalamazoo and other neighboring cities."

REPORT ON CONVENTION AT WOMAN'S LITERARY CLUB MEETING

The Woman's Literary Club held a meeting Tuesday evening in the club rooms with Mrs. Jay Den Herder presiding. Mrs. George Huizinga announced that there was to be a rummage sale at the club rooms Saturday, November 1. The second, fifth and sixth divisions are planning a luncheon for November 17, to which all the women of the club are invited.

Dr. A. Leenhouts gave a short talk in behalf of the Community Chest. Mrs. C. C. Wood and Mrs. Den Herder gave interesting reports on the convention of the Federation of Woman's Club held in Muskegon.

A one-act play entitled "Confessional" by Marjorie Benton Cook was given in charge of Mrs. E. J. Yoemans. Those taking part in the play were Mrs. Yoemans, Miss E. Metz and Mrs. Kenneth DePree with Mrs. R. Bush as stage manager.

After the meeting Mrs. G. H. Van Verst and her committee served tea in the tea room.

LOKKER-FERGUSON MARRIAGE PERFORMED WEDNESDAY EVENING

The home of Mr. and Mrs. C. J. Smith, 361 Maple Avenue was the scene of a pretty wedding Wednesday evening when Miss Hazel F. Lokker became the bride of Ardale Ferguson, son of Dr. and Mrs. Geo. Ferguson of Cedar Springs, Mich. Rev. Nicholas Boer of Grand Rapids, a relative of the bride, performed the single ring ceremony at 8 o'clock in the presence of immediate relatives and friends.

The bride looked charming in a beautiful gown of white satin, with a long flowing veil, and carried a shower bouquet of sazonas. The bridesmaid, Miss Ruth Van Kersen, wore a gown of peach colored tulle and carried a bouquet of roses. Merle Bird of Cedar Rapids attended the groom. Preceding the ceremony, Miss Helene Van Kersen sang "O Promise Me". Miss Ruth Woodward, a former pupil of Mrs. Ferguson, played the wedding march. John Kole was master of ceremony.

Following the ceremony a wedding luncheon was served to about 35 guests.

The newlyweds left immediately after the reception on a trip south. They will make their home in Cedar Rapids.

Mrs. Ferguson, who for many years has been making her home with her grandparents, Mr. and Mrs. C. J. Smith, is a graduate of Holland High school and Hope college. For the past three years she was a teacher in the Cedar Springs High school.

WASHINGTON PARENT-TEACHERS' CLUB MEETS

The Parent-Teachers Club meeting of Washington School was held Tuesday evening. Frank Lieveense, president of the club, led the group singing. Rev. C. W. Meredith conducted the devotions. Mr. Cornelius Vander Meulen was the principal speaker of the evening and in his talk he analyzed the present financial conditions. Mrs. J. D. French entertained with three violin selections. She was accompanied by Mrs. H. Karsten at the piano.

Debus's "Minstrel" and "Ritual Fire Dance" were given on the piano by Mrs. Harold Karsten. Miss Caroline Hawes, principal of Washington school gave a "School Talk" asking for the co-operation of parents in teaching children "Courtesy" and "Promptness." She also

outlined plans for Education Week and for Armistice day. Miss Marion Shackson told of plans being made to observe "Good Book Week" in Washington school. Mrs. Harold Karsten arranged the program and Mrs. Edward Slioter and committee served refreshments.

The Male Chorus will give several selections at the evening services at Third Reformed church Sunday, November 1.

## A SQUIRREL'S BANK

## After All, The Squirrel Has Some Sense

THE squirrel hasn't the reputation for Wisdom and Cunning that Brier Fox has, but after all, the squirrel is a very wise and thrifty creature.

Q For one thing he has the saving habit, and that is a good sensible habit for both animals and humans.

Q Friend Squirrel makes regular deposits of nuts — which is squirrel money — and thereby safeguards himself and Mrs. Squirrel against a hard time winter — and believe us Mr. Squirrel is doing the most of his saving right now in the nutting season.

TAKE this lesson from the squirrel. Save regularly a small part of your income. This bank helps you in this thrift venture by adding interest, compounded semi-annually.

COACH BREEN'S MEN TO BE NEXT OPPONENTS FOR COHRS' MEN AFTER KAZOO GAME

Grand Haven Tribune—Following the last whistle this afternoon at Ferry Field, ending the game between Kalamazoo Central and Grand Haven, Coach Gus Cohrs and his Havenites will face the task of meeting Holland High school next Saturday afternoon on the local gridiron. The local mentor said yesterday that he did not believe his team had a chance against the celery team but that he would not concede any of the three remaining opponents a point. Coach Cohrs believes Grand Haven has an equal chance with Holland, Benton Harbor and Muskegon Heights.

Favored by an open date today, the Holland High school grid squad is preparing in earnest for the annual county classic with Grand Haven.

The Holland-Grand Haven feud will not be a battle between championship eleven this year. Both clubs have failed to win a conference victory. Holland has won two games, defeating Sparta and Grand Rapids Creston.

Coach Breen lost a tough luck game to Benton Harbor when the Tigers emerged victorious by a single touchdown. Holland threatened several times, only to have the breaks of the game go the other way. Breen will have Harry Irwin, his star halfback, in the Grand Haven game. The sophomore speedster was on the bench with injuries during the Benton Harbor clash.

MACATAWA PARK MAN FACES HOMICIDE CHARGE

E. Grant Squires, age 60, of Macatawa Park, is to be charged with negligent homicide in connection with the death Oct. 18 of Jeanette Niewick, 8 years old, who lived near Byron Center, Prosecuting Attorney Bartel J. Jonkman announces. A warrant for Squires' arrest is to be issued as the result of a coroner's jury verdict which was that the child "came to her death through negligence." The child was killed outright when struck by the Squires car. The child, it is claimed, ran from behind another car directly in front of the oncoming car driven by the Macatawa man.

HUNTING IS FINE AND FINED

Albert Cook of Grand Rapids was arrested by Conservation Officer Plotta near Fennville for shooting a hen pheasant. He was arraigned before Justice Charles Orther of that place, and ordered to pay a fine of \$50 and costs within ten days or serve 60 days in jail. His gun was taken away from him and he was forbidden to hunt the rest of the season.

DR. F. M. PATTERSON, OF HOPE FACULTY, DIES IN PHOENIX, ARIZ.

Dr. F. M. Patterson, late biology professor at Hope College, who died Monday at Phoenix, Ariz., was born in Frederickton, Canada. He received his education at the University of New Brunswick, Can., where he received a Ph. D. degree. He took his master's degree at Harvard. He taught biology at Hope college 1909, but was forced by illness to relinquish work and received a leave of absence for a year from this institution and left for Arizona. Prof. Patterson was one of the most popular biology professors at Hope and did considerable to raise the standard of the work there. He is survived by his widow, formerly Miss Brightmeier of Holland; a son and two daughters. No funeral arrangements have been made.

Dr. Patterson was succeeded in the biological department by Dr. Thompson.

TURTLE BURIED FOUR MONTHS IN WALL LIVES

A small mud turtle embedded in the solid concrete foundation of the new Angell School for four months was removed today when workmen were cutting a hole for a door. The turtle was placed in a pile of water and soon showed signs of life. It is believed that the turtle was in the gravel which was taken from the Grand river.

A forced migration of mud turtles from a large pond which was dried up this summer is just one example of the changes made by the drought in the habits of our wild life.

The turtles were forced out of Cobblestone Slough, near Lake Geneva, Wis. Hundreds of the migrating animals were killed by motor cars or captured by motorists as they waddled toward Lake Geneva to find a new home with plenty of water in it.

HOLLAND INDUSTRIES BACK CHEST CAMPAIGN

Manufacturers of the city at a special meeting recently held at the Warm Friend Tavern agreed to back the Community Chest campaign. Factory heads are to put up to their employees the importance and need of getting behind this movement. Many already have their pledges in.

Representatives of the following factories were present at this meeting: The De Free company, J. K. Mosser Leather corporation, Holland Furnace company, Holland Shoe company, Chas. P. Limbert company, National Biscuit company, Hart and Cooley Manufacturing company, West Michigan Furniture company, Donnelly-Kelly Glass company, and the Holland Aniline Dye company.

Thieves escaped with \$11 in cash Saturday night from the office of Dr. R. H. Nichols in the Model Drug Building, corner of River Avenue and Eighth street. It was believed the yeggs broke into the office by loosening a strip of wood at the side of the door and pushing back the latch with a thin piece of steel. The money was taken from a box in a drawer. Nothing else was disturbed.

Sparrow is  
Scorned by  
City People

BIRD IS LIKE DANDELION BLOSSOM, BEAUTIFUL BUT HATED BECAUSE OF NUMBERS

Those who want to see and hear 10,000 sparrows at one time can have that privilege right in Holland by going to the Holland High school and stirring up the mass of climbing ivy that covers the north and west side of the building. Young nimrods are busy there with their air guns—day and night—for the purpose of getting so much a head for the pest from the city clerk who pays the bounties.

This is what a noted bird man, Mr. Clayton Smith, says about sparrows:

"There is an urchin bustling about the eaves each cool Autumn morning and if it were not for the numerous playmates that he must have about him his chirpings might be considered pleasant, especially when so many of our bird friends have departed on their long journeys through the skies.

"The homely English sparrow sits with feathers ruffled by the cool breeze, sending his song to all city dwellers. He is like the dandelion blossom, beautiful and scorned because of his great numbers.

Freed in Brooklyn He was first turned free in Brooklyn in 1851, and his importation speaks volumes of the work done by men when they interfere in many of nature's plans. Some one has estimated that a pair of English sparrows may have more than 275,000,000,000 progeny in 10 years. To carry on this appalling game of figures would have each of us bearing a shotgun to beat off the marauders and the more timid souls would have a law passed legalizing birth control for the imported rascals.

"Death comes swiftly to the English sparrow. Automobile exhaust takes a huge toll. As they hop about city streets they often are overcome by the poisonous fumes and death results. Birds require an enormous amount of oxygen. It is quickly turned to energy and impurities or poison in the air bring swift death to them.

Dead Birds Not Common

"One may note hundreds of them lying dead on the highways. They have been struck by cars or have died of the exhaust gases. Dead birds are not a common sight except among sparrows on the highways. Birds seek high places in which to die if they have been injured or feel that death is near. This may be readily noted by the skeletons of small birds found on roofs of buildings.

"The English sparrow is found in most all lands and is a permanent resident of the locality in which he is found. As have all other species, the sparrow has his staunch defenders. His beak is especially adapted to catching insects and taking weed seeds. Many claim that the damage done to grain is more than overcome by the number of insects that the chirper devours."

NO PARADE ON ARMISTICE DAY THIS YEAR

Public schools are planning to celebrate Armistice Day with special programs in high, junior high and grade schools. No parade, however, will be staged. This feature will not be abandoned altogether; however. Possibly next year this will again be featured. National education week will be observed the week of Nov. 9 to 14, with open house in senior high Nov. 10 and in junior high Nov. 12.

HOLLAND MAYOR IS  
SEEKING A REDUCTION IN  
RETAIL MILK PRICES

A request for local distributors of milk to lower their prices was made by Mayor Ernest C. Brooks. Present rates are 10 cents a quart and 5 cents a pint, in comparison with 6 cents a quart and 3c a pint in Allegan and vicinity.

An ordinance adopted by the council in 1930, which regulates the distribution of milk and cream, is now being used as an argument to keep the prices up. Mayor Brooks explained that the ordinance was adopted not with the idea of keeping out outside distributors, but it seemed that evidently some distributors in Holland interpreted it as such. It was not the idea of Mayor Brooks that the ordinance should be made less severe to make competition possible at the expense of the quality of milk, but that dealers should consider it as a vital health measure with no connection with the milk rates.

Holland dealers are required to be licensed by the ordinance, which also gives regulations on application, notice of change of source of supply, inspections display of licenses, condition of stables and sale in eat-vent of contagion, condemnation, ing places. The ordinance has worked well in Holland under the supervision of Inspector Bosch.

LIST OF DON'TS IS PREPARED FOR GUN USERS

The Isaak Walton League has compiled the following helpful suggestions to all users of shotguns and rifles:

Don't pick up a gun by the muzzle unless you want to wear a harp or a halo.

Don't pull a loaded gun; muzzle first, through a fence. A high power bullet or a shotgun charge never halted anybody at close range.

Don't walk behind your hunting partner with a cocked, loaded rifle or shotgun. Angels may be bullet proof, but hunters are not.

Don't drag a shotgun out of a boat in line with the body. You and your hunting partner may want to live a little longer.

Don't take a rest by leaning your hands or arms on the muzzle of a loaded gun unless you don't want them any more.

Don't ignore a no trespass sign. Be considerate of other's property and hunting rights.

Give your game a break. Leave some seed stock for next year.

The home of Jacob Boes, 94 East 23rd street, was damaged to the extent of \$1000 by fire Sunday afternoon. Most of the roof was destroyed by flames. The blaze was believed to have been started by sparks from a chimney. Firemen were forced to use large quantities of water which caused considerable damage.

ALLEGAN FARM BOY IS KILLED  
ON HOLLAND-SAUG-  
ATUCK ROAD

Henry Pranga, aged 21, son of Albert Pranga, Fennville farmer, was fatally injured late Saturday and Chester H. Roberts, 35, of South Haven, was seriously injured when an automobile driven by the latter crashed into a truck on US31, near the Windmill Service Station southwest of Holland.

Pranga and his father were taking a load of potatoes to Holland when their truck broke down. Being unable to fix it, the elder Pranga went for repairs, leaving the son to watch the vehicle which was at the side of the road.

Roberts apparently didn't see the truck until upon it and was unable to avoid the crash, he claims. Young Pranga suffered a skull fracture when thrown onto the pavement and died early Sunday morning in Holland hospital. Roberts was injured about the head and legs but is expected to recover.

Both cars were damaged and the potatoes scattered along the highway. The shattered potato truck was still at the roadside Sunday causing quite a crowd to gather from time to time.

According to Deputy Cramer, the Pranga youth was standing near the rear of the vehicle and attempted to signal Roberts as he approached on the highway from Holland. It was believed the driver failed to see the stalled truck and the lad and the accident resulted. The truck was little damaged however, but the Roberts car was a wreck. Coroner Vander Water states that no inquest is to be held.

Mrs. Pranga, mother of the Pranga youth, was fatally burned in an accident about two years ago. Chester H. Roberts was removed to the South Haven hospital Monday afternoon from the local hospital. He was treated in Holland for severe cuts and bruises.

FULL PROGRAM LISTED FOR GROUP IN HOLLAND

The Century club, one of Holland's leading literary, musical and social organizations, organized in 1897, has announced its program for the current year.

It will feature a debate, "Fascism Republicanism," by former Mayor Henry George and Rev. S. C. Netting, Nov. 2 at the home of Mr. and Mrs. C. H. McBride; a musical by Mr. and Mrs. W. Curtis Snow, Nov. 16; a Thanksgiving picnic at Woman's Literary club, Nov. 30; address by Miss Laura A. Boyd, Dec. 14; address by Mrs. G. J. Diekema and Christmas party, Dec. 28; address by Henry Winter, Jan. 11; address by Miss Lena M. DePree and Mrs. C. J. Dregman, Feb. 8; address by Prof. Bruce M. Raymond of Hope college, Feb. 29; play in charge of Mrs. E. C. Brooks and Miss Anna G. Visscher, March 7; address by Clarence A. Lokker, March 25; annual banquet, April 4.

Officers are: President, Mayor E. C. Brooks; vice president, Miss Laura A. Boyd; secretary-treasurer, Mrs. Albert Diekema. The club limits its membership to 100.

NEW CAR DRIVERS MUST HAVE NEW LICENSES

The new automobile drivers license act, passed by the 1931 legislature, becomes effective Nov. 1 and it is estimated that 200,000 Michigan drivers who secured their original licenses prior to Jan. 1, 1925, will not have reregistered in accordance with the new law. Applications for new licenses can be made to chiefs of police or sheriffs. The officer then issues a temporary license which is good for 20 days. Before the expiration of that period, the application will be checked by the Department of State and the Department of Public Safety, and the new license issued, if no hindrances are discovered. The new licenses are good for only three years.

ALLEGAN COUNTY ROAD WORK AND RELIEF PLANNED BY COUNTY BOARD

Plans for welfare and relief work in Allegan county this winter were discussed at the meeting of the Supervisors Saturday. Chairman Sam Hanna of the finance committee told of the conference with the governor and Highway Director Grover C. Dillman in Lansing last week. The latter, Hanna reported, said that work on the roads in this county would be outlined, and unemployed men be given work. Supervisor Frank Mosier of Ganges favored the elimination of payment by the county for tobacco on bills from grocers who had orders to deliver to the needy. The board sustained Mosier and tobacco and cigarettes are on the blacklist.

The report of the road and bridge committee read to the supervisors was adopted. It provides for the construction of 24.3 miles of tarmac in 1932 as follows: Graftschaap 1 1/2 miles; Bravo, south 1 and 6-10 miles; New Richmond, 4 miles; Hamilton, and Overisel, 3.7 miles; Overisel village, 5.1 miles; Allegan and Chicora road 6 3/4 miles; Fullman, east 2 miles, west 2 1/2 miles; Alamo road, 2 1/4 miles. The cost per mile was estimated at \$2,000, although it is expected this may be lessened and other villages be given improvement.

OCTOBER RAINFALL IN OTTAWA COUNTY IS NOW ABOVE NORMAL

Further reduction of the 1931 precipitation deficiency of 6.43 inches between Jan. 1 and Oct. 1, has been accomplished during the first 27 days of this month. Ottawa County weather bureau officials declared after recording rainfall of .19 inches yesterday.

Yesterday's raised rainfall for the month to 3.01 inches, an excess of 2.58 inches above the October normal of 2.81 inches. October is the second successive month in which the precipitation has been excessive as September, with 4.09 inches, was 56 inches above normal. September was the first month since January, 1930, recording an excess.

Pastor Inspires

With Poetry

IN DR. DAVIDSON'S ENTHUSIASM HE WRITES VERSE ON "HOLLAND CARES AND SHARES"

Dr. Thomas W. Davidson of Hope church was the "pep" artist who was called on to put some ginger in the Community Chest workers if that was necessary. The entire committee of nearly 200 gathered in the Chamber of Commerce hall to receive inspiring messages from Mayor E. C. Brooks, Supt. E. E.

Dr. T. W. Davidson

Fell, Chairman William C. Vandenberg, President Dr. A. Leenhouts, President of the Chamber of Commerce, Dick Boter, and last Dr. Davidson.

Dr. Davidson was especially selected to send the committee out with a new and an enthusiastic spirit, and as we well know a talk from Dr. Davidson is never complete without a poem or two. But here is one that is indeed local and relates to the Community Drive in question and by the way the dominion is also the author.

Here it is and it surely should help the Community Chest for a few extra donations.

HOLLAND'S SECOND COMMUNITY CHEST

By Holland's First Self-Appointed Post-Laudate.

DR. THOMAS W. DAVIDSON

The City of Holland's big Campaign As its members do their best to do it. And that means work for each one of you.

Are you ready to start with a right good game? And put a stout heart to a long steep hill? Are you willing, each one of the 225? To work like bees in a summer hive?

Are you waiting your chance to play the game? Without any thought of gain or fame? Well—if so the work is as good as done, And all will get out of it lots of fun.

Our Chamber of Commerce sets the pace. With "Gross" to keep each in his place. The Island Exchange Club stands to win. When "Western" cries: "Bravo Boys, pitch in."

The Woman's Club won't be behind. In coming forward with willing mind. The "Lions" are waiting for their prey. As "Vander Valde" leads the way.

The American Legion in colors bright. The Veterans of many a hard fought fight. Each claims a place in the battle front. To do their bit, and to bear their brunt.

But Rotary Members! Where are they? On the eve of Holland's opening day? Scan the list and you will see That they move around from A to Z.

God bless each team of the Twenty-Four— As its members go from door to door! God bless the Captains one and all. Whether young or old, or short or tall.

God bless the Mayor with his special team. As all and they follow the gleam! May the Mayor and his bunch of merry men Have good success with tongue and pen.

God bless Dr. L. and W. C. V. Who have served the cause for love—not fee! God bless the fair ladies who have fallen in line. We can see them all, and they all look fine.

God bless the poor! all out of work. As its members go from door to door! And may the Old Chest, be stuffed with bills. That will help our City through all its ills.

So do your armor for the fray. And go to work with spirit gay! And put things over with a bang. As you work gladly with your gang.

And thus the "drive" will clearly show That in these days when cash is low And men are timid as March hares That "Holland Cares and Shares."

## HOPE COLLEGE NEWS

### ENTHUSIASM REIGNS AS PLANS ARE COMPLETED FOR BIG EVENT

Homecoming plans are all made and everything's set for a big week-end!

Friday night all floats are to be ready for the lineup at 8:30 P. M. or else they'll be disqualified. All privately owned cars entering or following the floats must contain some kind of decoration. The lineup as drawn by Dr. Wichers is as follows:

Dorian  
Cosmopolitians  
Emersonians  
Delphi  
Knickerbocker  
Addison  
Aethian  
Sibylline  
Fraternal  
Sorosis

The parade will start from the Dormitory, up Tenth to the Cosmopolitan House, down Central to Twelfth to the Knick House, up to River Avenue to Eighth and down Eighth to Columbia Avenue and down to the Fraternal House past the House and up to the Gym. The parade will be led by the Hope College Band. The students marching are to march according to class. The judges of the contest are Mr. Vanderburgh, Miss Shirley Paine and Mr. Clarence Kleis.

Everybody is to gather at the Gym after the parade and have a good time. The Gym will be very

becomingly decorated and everything will be short peppy and snappy. Jack De Witt is going to entertain with a football stunt. A farce in one act entitled "Flittermouse" under the direction of Mrs. Durfee will also be given. The cast includes such well-known comedians as Edith Drescher, Ruth Van Dyke, Lynn Sabo and Al Tarrant. You'll laugh yourself sick! Another stunt will be given by Herb Marsilie. Of course we're going to have lots of singing and good cheers under the able leadership of Cornie Vandernaald and Verne Buhl. We're going to finish it off with a gigantic bonfire furnished by the Frosh, and the yells given around the fire to inspire our football team to a grand victory.

Saturday is the big day. The alumni will get a chance to see how large and peppy Hopeites are since they left.

The American Legion Band is going to play for us and there are several surprises in store for everyone one during the halves of the games.

You mustn't forget the "Koffie Klets" to be given at the dorm after the game. We have invited the people of Hillsdale to stay over and come to the dorm for coffee and then around to the various fra-

ternity houses for the open house. Plans for a Homecoming booklet are in the making and these will be sold for ten cents at the game. Also, souvenir footballs will be available on the campus beginning Wednesday to be worn at the game. They too will be sold for ten cents by the A. D. D's.

We might add a word or two of apology for raising false hopes on a sign across main street. After careful investigation and also because of the depression (that had to come to us sometime) that sign will not be there. Sorry!

THE COMMITTEE.

### Prayer Week Opens Sunday With Vesper

The annual Week of Prayer at Hope College will be held this year during the first week of November, under the auspices of the Association Union and Religious Conference. Rev. John A. Dykstra, pastor of the Central Reformed Church, Grand Rapids, Mich., will be the guest speaker. The meetings will begin with an afternoon service at four o'clock on Sunday, Nov. 1st. This will be followed by meetings at 11 A. M. each school day that week. Regular chapel exercises will be suspended during that week and the four recitation hours will be allotted forty-five minutes each from 8 o'clock to 11.

Dr. Dykstra has chosen for his addresses a series of studies in the Epistle of Paul to the Philippians. His daily topics will be announced on printed programs to be distributed later. Use Philippians in your daily devotions and prepare your mind and heart for the meetings.

Dr. Dykstra will also hold personal conferences with such students as would like to confer with him. These conferences are scheduled from 9 to 11 in the morning and from 2 to 4 in the afternoon, in the Divinity Guild Room, lower floor of the Memorial Chapel. If there is any matter of religious faith or life work that you desire to have advised on, let the proper committee chairman know about it and a time for the conference will be arranged.

Prayer meeting groups will also be arranged for during the evenings of this week. Watch the lists and schedules as they will be posted and be sure to attend where you

are expected. Let us all heartily cooperate by regular attendance at all the meetings, and, above all, by earnest prayer for God's blessing upon our whole Week of Prayer program.

Your friend,  
The College Pastor.

### VAN VLECK HALL TO HOLD OPEN HOUSE FRIDAY AFTERNOON

Open house will be held at Van Vleck Hall on Friday, October 30th, from three to five o'clock. Mrs. Ritter and Miss Boyd will be hostesses. Students, faculty, alumni and their friends are cordially invited to inspect this historic building. Van Vleck is the oldest structure on the campus, having been erected in 1857. It one time served as classroom, laboratory, dormitory and president's home. Mrs. Frances Phelps Otte, the first woman to graduate from the college, was born in Van Vleck Hall. In 1924 the interior was completely rebuilt and is now modern in every respect.

Lady guests visiting the "Oriental Room" will be privileged to have their future revealed by a mystic of the Far East.

### Ed. Students Will Attend Convention

Tomorrow and Friday a goodly share of the Seniors will be in Grand Rapids attending the convention of the Fourth District of the Michigan Education Association. All senior education students are excused for these meetings, and although there is nothing compulsory about attendance, most of the embryonic teachers consider them worth taking in. A full schedule of general and divisional programs has been drawn up by the committee. Featured speakers at the general meetings are Bishop Frederick B. Fisher of Ann Arbor, who will address the group on Mahatma Gandhi Thursday morning; Judge Marcus A. Kavanaugh of Chicago, who will discuss "Why the Law Fails"; and Stuart Chase, economist and writer, who will speak on "A Billion Wild Horses." Several excellent musical numbers have also been arranged. The Davis Vocational and Technical High School Band will play on Thursday morning. In the evening will be heard

the Grand Rapids Teachers' Ladies Chorus, and Dale Gilliland, baritone, Director of Vocal Music, Central High school. On Friday, at 1:30 p. m. meeting, the Junior College Brass Quartet will play.

Every phase of education will be dealt with in the special group meetings, and each one may choose the particular meeting or meetings he desires to attend.

### Hope Delegates Travel to Lansing on "Y" Conference

The Y.M. and Y.W.C.A. sent eight delegates to Kirby Page's week-end conference. This conference was held at East Lansing and was sponsored by the Y.W.C.A. of Michigan State College. The opening session was held on Friday evening when a banquet was given to all delegates followed by an address by Mr. Page. The conference held sessions throughout Saturday and also on Sunday morning.

Our delegation left on Friday noon, expecting to have an interesting and profitable week-end. The purpose of the conference was to show college students how they could do their part in settling the great problems of the world. The delegates found Kirby Page to be an interesting speaker and one who understood world problems. Although the conference was a little different type than they had expected, they were benefitted and understood more clearly the problems that are facing our world.

### VIEW MOVING PICTURES OF HOPE-FERRIS GAME

On Tuesday evening, October 20, the senior Fraternal men entertained all other senior men at their commodious house on Columbia Ave. There was a good turnout, and everyone enjoyed a social hour before the program proper began. Howard Schade opened by singing an appealing selection entitled "My Friend." He was accompanied by Dick Niessink. Jack De Witt then favored with several varied humorous readings. The boys especially enjoyed the traffic quarrel after the Puritan manner. The feature of the evening came next—the movie version of the Hope-Ferris game taken by Carl Walwood. It proved both drama and comedy—drama when run through and comedy when run backwards. All marveled at the phenomenal sight of the big stack at Riverview park hooking smoke right out of the sky. The closing number was another song by Howard Schade. He sang "Sylvia" by Oley Speaks.

Refreshments of sweet cider and doughnuts were served by the Frater freshmen, and the rest of the evening was spent in games and senior talk.

### When BABIES are Upset

BABY ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea. How would you meet this emergency—tonight? Have you a bottle of Castoria ready?

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. It's gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.

Lievense, Lois Vander Meulen, Bernice Zonnebelt, Dorothy Beach, Beatrice Boot, Emily Evans, Donald Visser, William Arendshorst, Patsy Ver Hulst and Charles Bertsch.

Two A's and other marks B are recorded for Harriet DeNeff, Katherine Boere, William Combe, Vera Damstra, Myron Kollen, Ivan Roggen, Jean Rottschaefer, Helena Vischer, Bernice Wabeke, Olive Wismeier, Maxine Kooiker, Lois Geerds, Marjorie Szekely, Margaret Van Kampen, William Wichers, John DeWitt, Marianne Bocks, Raymond Boot, Josephine Boyce, Ruth Helmbold, Esther Hinkamp, Julia Klinge, and Dorothy Bacon.

One A and other marks B are found on the card of Muriel Chard, Jack Davis, Herman Van Ark, John Van Tyl, Helen White, David Erickson, Ben Lemmen, Mildred Erickson, Ralph Martinus, Janet Oudman, Tena Havinga, Luella Nykerk, Edward Rowan, Richard Schaftenaar, Elaine Wierda, James Westveer, John Golds, Marjorie Zuidema, John Batema, Holmes Crowell, Ilia Ruth Harris, Joyce Notier, Raymond Rigerink, John Roene, Maxine Slag, Lois Tysse, Marianne VanEyk, Lewis White, and Louise Schlipa.

All B records are those of Dorothy Van Ingen, Alyce Vande Riet, Ruth Westing, Arthur Witteveen, James Boler, Bernard Donnelly, Esther Johnson, Margaret Knoll, Vivian Eesebaggars, Cornelia Lievense, Betty Nieuwma, and Ruth Van Anroy.

### Superintendent, Teachers Take Part in Fourth District Program

Over one hundred teachers of the public school system of Holland will be in attendance at the annual institute of the Fourth District of Michigan to be held in Grand Rapids, Thursday and Friday, October 28 and 29. The chairman of the association is C. B. Holden from Greenville, and the vice-chairman, Gerrit G. Groenewoud from Holland.

The general program will open on Thursday morning at 10 o'clock when Bishop Frederick B. Fisher of the First Methodist Church of Ann Arbor will speak on Mahatma Gandhi. The general session at 8 p. m. will hear Judge M. A. Kavanaugh on Friday on "Why the Law Fails." On Friday at 1:30, Stuart Chase is to give "A Billion Wild Horses."

The six regular divisions meeting on Thursday afternoon present men like Dr. Rollo Reynolds of Columbia and Dr. John Ruff, Professor of Education at the University of Missouri.

Holland will be represented on several of the sectional programs on Thursday afternoon. Superintendent E. E. Fell will speak to high school teachers on "Present Trends in the High School Curriculum." Miss Maibelle Geiger of the Latin Department here is the chairman of the classical section,

while Miss Hazel Albers will speak there on "Latin Wiles."

Russell H. Welch of the local continuation school is chairman of the Manual Arts section. At the Science section, R. E. Chapman, chemistry instructor, will speak on "Individualization in Chemistry Teaching."

From the grades, Miss Ramona Shackson will take part in the Nature Study section, and other teachers in the Handwriting section. Faculty members will also lead discussions.

### Two Troops Open Program With Church Service Sunday Morning

Several citizens of the senior and junior high schools are celebrating Girl Scout Week, October 25-31. Girl Scout Week always comes in the fall of the year, and includes the birthday of Juliette Low, the founder of Girl Scouting.

The activities started Sunday morning when the girls attended a special service at the Methodist church. The program for the week included the regular troop meetings on Monday and Tuesday, the planting of trees on Friday, Community Service day, and hikes on Saturday, which is Health Day.

Holland has two troops of Girl Scouts, the Pine Tree Troop, led by Dr. Frances Howell and Miss Elanore Jones, and the Old Faithful Troop, whose Captain is Mrs. Francis Drake. The Old Faithful Troop was organized last March, while the Pine Tree Troop is a year old, having celebrated its anniversary on October 13.

The biology class of high school are making a study of mushrooms. In this study a survey of their characteristics, structure, habits and economic importance. The students in the department have collected more than fifty different species of mushrooms in this locality. Among the poisonous ones brought in were the deadly amanita, fly amanita and the death angel.

Several varieties of edible mushrooms were also collected. Besides studying mushrooms, the students are potting geraniums and other plants, and the boys in the department are planting tulips in the beds on the lawn.

Two new balanced aquaria have been installed in the laboratory for use in caring for the smaller forms of water plants and animals. Other additions to the collections in the laboratory are a mole, a Jeffersonian salamander, and a pair of American Newts.

Carol Van Hartesveldt, a graduate of 1922, is substituting for Jeannette Mulder, teacher of Senior English who submitted to a serious operation at Mayo Bros' Hospital, Rochester, Minnesota, three weeks ago.

The new instructor, while at Holland High, was a member of Kappa Delta and vice-president of the organization in her senior year. She was also an Athletic Sister for

three years, vice-president of the body in her junior year and president when she was a senior.

Miss Van Hartesveldt was on the Welfare Board one year and a member of the Literary Board another year. Her interest has been centered largely in Campfire work, being leader of a group at the present time. She had taught English in Coopersville and Lowell high schools before coming back to her home in Holland.

The Junior High School writing classes have begun the year's work with renewed zeal and interest. Memory gems are being written and learned in addition to the practice of drills for the penmanship awards.

The enrollment in the penmanship classes is for first hour classes 59 students; second hour classes 56 students; for third hour classes 121 students; for fourth hour classes 51 students; and for fifth hour classes 54 students. The June report enrolled 26 for winning Student's High School Diplomas for the Business Forms and 61 students have been awarded Students' Certificates.

Advanced Diplomas were issued to Dorothea Slocum, Elaine Bruse, Raymond Mulder, Gordon Vander Schel, Elinor Mooney, Louise Peerbolt, Lenore Dalman, Ella Hyink, Arthur De Jonge, Clara Brower, Coralyne Steffens, Emma Havinga, Jean Spauling, Caroline Ter Haar, Jean Van Raalte, Blanche Knoll, Marie Meinsma, Clarine Elenbaas, Herman Johnson, Florence Vandenberg, Violet Slag, Mildred Vandewater, Vera Kirchner, Kenneth Pilgrim, Louise Pathois and Evelyn Van Pernis.

Students' Certificates became the property of Julian Arendshorst, Raymond Vander Heuvelen, Donald Heusing, Earl Dry, Lorraine Havinga, Jean Van Dyke, Nettie Havinga, Frank Boersma, June Dorn, Jay Zuidema, Nellie Elenbaas, Irene Ten Brink, John Vroski, Gordon Bidder, Howard Kooiker, Alyda Gebben, Lois Jane Kronmeyer, Orma Anna, William Gerritsen, Dorothy Hawley, Elaine Hamelink, Grovone Buss, Minnie Dykhuizen, Margaret Topp, Lois Jane TeKor, Frances Fisher, Geraldine Zeilow, Gerrit Frens, Dwight Van Order and Virginia Knoll.

Others to win certificates are Paul Zee, Thomas Niessink, Heath Goodwin, Donald Kramer, Fern Plaggemars, Harvey Hopp, Charles Driscoll, Wallace Hietje, Glen Quist, Claribel Stoltz, Raymond Allen, Julius Lamberts, Kathleen Bocks, Robert Vandenberg, Jeanette Timmer, Bernard Poppema, Ruth Kow, Frances Poppema, Robert Tummel, Kenneth Vander Heuvel, John Van Tatenhove, Jr., Ella Risselada, Angeling Van Wynen, Adriana Krikke, Geraldine Dykman, Justin Dyke, Justin Spyk, Russell Brower, Edward Klinge, Donald DeKraker and Marinus De Jong.

### ... GIVE YOUR SHARE TO MEET THE NEED ...

#### WHAT THE COMMUNITY CHEST DOES

##### FOSTERS CHILD WELFARE AND HEALTH

By providing milk for undernourished tots whose parents are not financially able to buy it in sufficient quantities. Furnishes free clinics for ailing children, which probably results in saving the lives of many of them.

##### HELPS FEED THE HUNGRY AND UNFORTUNATE

Provides warm clothing for those among us who are cold.

HELP ONE ANOTHER AND WE WILL HELP OURSELVES AND OUR COMMUNITY

##### ASSURES TEMPORARY RELIEF

For those who suffer from the cruelty of misfortune through no fault of their own. Helps those who offered their lives for our country to secure proper compensation; the Red Cross is effective in this service.

## YOUR SUCCESS

There is a direct relation between the success of a bank and the success of its depositors.

As our depositors prosper our deposits increase and we prosper.

Our success is built upon your success and we stand ready to aid you in every way possible.

## MOUNT VERNON

In all America there is no other home quite like this. Across its threshold the visitor steps back into the mid-eighteenth century. From grandroom to garret, its furnishings and memories bespeak the nobility of its central figure. As though he had gone but for a day he bids his neighbors enter and be welcome. And how they come, these neighbors! Increasing thousands as years go by, drawn in gratitude to the hearthstone of this wise and unselfish counsellor to his own and succeeding generations.

## MORTGAGE SALE

WHEREAS, default has been made in the payment of moneys secured by a mortgage dated December 27, 1913, executed and given by Arie Hoffman and Jennie Hoffman, his wife, of Olive Township, Ottawa County, Michigan, as mortgagors, to the First State Bank of Holland, Michigan, a corporation, as mortgagee, which mortgage was recorded in the office of the Register of Deeds for Ottawa County, Michigan, on the 5th day of January, A. D. 1914, in Liber 90 of Mortgages, on page 176, on which mortgage there is claimed to be due at this time the sum of One Thousand, Four Hundred Twenty-three and 12/100 Dollars (\$1,423.12), principal and interest, and an attorney fee of Twenty-five Dollars (\$25.00), being the legal attorney fee in said mortgage provided, and no suit or proceedings having been instituted at law to recover the debt, or any part thereof, secured by said mortgage, whereby the power of sale contained in said mortgage has become operative.

NOW THEREFORE, notice is hereby given that by virtue of the said power of sale and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by sale of the premises therein described at public auction, to the highest bidder, at the north front door of the court house in the City of Grand Haven, Ottawa County, Michigan, that being the place where the circuit court for the County of Ottawa is held, on Monday, the 18th day of January, A. D. 1932, at two o'clock in the afternoon of that date, which premises are described in said mortgage as follows, to-wit:

The following described lands and premises situated in the township of Olive, County of Ottawa, State of Michigan, viz: The South one-half (S. 1/2) of the north one-half (N. 1/2) of the northwest quarter (N. W. 1/4) and also the south one-half (S. 1/2) of the northeast quarter (N. E. 1/4), all in Section thirty-three (33), township six (6) north of range fifteen (15) west, containing together sixty (60) acres of land more or less, according to United States survey.

THE TEAM TO PLAY HOLLAND BEATEN AGAIN

Kalamazoo Central presented a powerful gridiron machine in Grand Haven Saturday which overwhelmed Grand Haven, 41 to 0. Led by the running game of Perk and Pettiford the Celerymen ran the ends, smashed the line and all in all disposed themselves around

the field almost at will. Allegan lost its last home game of the season Saturday afternoon to South Haven in a 6 to 0 battle.

How to train BABY'S BOWELS

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels. That is one sure way to train tiny bowels to healthy regularity. To avoid the fretfulness, vomiting, crying, failure to gain, and other ills of constipated babies.

Dr. Caldwell's Syrup Pepsin is good for any baby. For this, you have the word of a famous doctor. For seven years of practice taught him just what babies need to keep their little bowels active, regular, keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3500 births without loss of one mother or baby.

FISHERMAN "BAGS" LIVE MUD HEN WITH FISH POLE

Nick Koran, well known Grand Haven business man, went fishing early Thursday morning and returned with a live mud hen instead of a string of perch, which he says he started out after. Seated on the pier at Grand Haven harbor in the early light he noted the bird nearby and after it returned near him several times he trapped it with the end of his fish pole and fishing line and brought the bird home without injury. Hunters believe the bird to have been injured for they are not tame enough to come into such close quarters.

KILL NEW BORN BABE NOT CHILD OF HUSBAND

Murder charges were filed Monday against Mr. and Mrs. Albert Hovinga of Grand Rapids. Until September lived on a farm in Allegan county. The charges state that they permitted a new-born baby to die on July 23. Both signed confessions authorities said, and both said that the reason they permitted the child to die was that its father was not Mr. Hovinga. They told officials they decided two or three weeks before the birth of the child to permit it to die. No physician was called to care for the mother at the time and the birth was never recorded. The body of the baby was found by state and county authorities wrapped in a sheet and buried near the barn on the farm where they resided in July. They were directed to the spot by Mr. Hovinga following his confession.

The couple are the parents of five children, ranging in age from 2 to 9 years. The children are being cared for by Mrs. Hovinga's parents, Mr. and Mrs. Ryan DeVries of Grand Rapids.

Mr. and Mrs. Albert Hovinga were sentenced to prison for the slaying July 23 of a new-born baby. The couple pleaded guilty in Allegan circuit court to charges of manslaughter which had been reduced from first degree murder. Hovinga was sentenced by Judge Fred T. Miles to 5 to 15 years in Ionia reformatory and his wife 1 to 15 years in Detroit House of Correction. The court recommended the minimum term in each case.

SAUGATUCK, DOUGLAS, FENNIVILLE AND VICINITY

Mr. and Mrs. Ira Koning of Saugatuck motored to Ann Arbor Saturday to see the Ohio-Michigan football game, stopping at Lansing on the way to pick up their daughter Eleanor. While in Ann Arbor they visited their son Irwin who is attending college there.

Mr. and Mrs. A. D. Nye and son Harry of Ganges, spent Sunday with Mr. and Mrs. J. DeKoning in Holland. Their daughter, Mrs. Elmer Burgh and family of Ann Arbor spent the week end in the DeKoning home. Mrs. DeKoning is Mr. Burgh's sister.

The Big Pavilion Theatre is now heated with a new furnace and is drawing a good crowd to the Saturday night shows. Last week "Night Nurse" was shown; a splendid show. Next Saturday night "Personal Maid" will be the attraction. The last show of the season.

The campaign to raise money for the Spencer memorial hospital in Douglas came to a close last Saturday and the committee found that a little over \$3,000 had been raised; but, as it had been estimated that \$8,000 would be needed to make the necessary changes, it was thought best to ask donors of the property to extend their offer so as to allow more time for raising funds. It is a very difficult time to secure cash contributions and it is believed that when the resorters are back for the summer many of them would be willing to give the hospital project very substantial assistance.

Packing winter apples near Fennville is employing quite a force at the fruit exchange just now and trucks and cars are moving them away to distant points. The trucks give a rate that is lower than the railroad freight rate, as they take them from the exchange directly to the buyer. Some of these trucks carry nearly a car-load and one big truck and trailer took over 600 bushels of peaches in one trip—one and a half car-loads.

The Fennville roller mills have been shipping several cars of soft winter wheat flour to South Carolina customers where it will be transformed into those "hot biscuits" that are served on all occasions, otherwise "beaten" biscuits.

Celery from the new fields at Fennville appeared in market last week. It is of superior quality, much better than any other sort that was offered. It is borne on land that had its first crop last year and so is of high fertility. The growers will be wise if they keep up that condition and not go on the Kalamazoo presumption that such land is inexhaustible. They made a big mistake and have not yet recovered from it.

The Grand Rapids district of the Michigan Federation of Music Clubs is being entertained in the Woman's club house in Fennville this Thursday. A business session was held in the morning and in the afternoon the Rubenstein club of Fennville furnished the program.

Prof. J. A. Hannah, poultry specialist at Michigan State College, will be at the Hamilton Co-Op plant Nov. 4, 5 and 6, from 10 a. m. to 4 p. m. to discuss poultry problems. He will reveal why eggs from this county were candled down one grade after reaching Chicago.

Sebewa Camp Fire Girls of Saugatuck have elected: President, Jean Force; vice-president, Jean Edgecomb; secretary, Isabel Crapple; treasurer, Winfred Brady. Mrs. L. R. Brady is guardian.

The Past Noble Grand club met with Mrs. Nora Farrey at Ganges and elected: President, Mrs. Arthur Newman; vice president, Mrs. James Robyler; secretary, Mrs. Richard Tourtellotte; treasurer, Mrs. Paul Tucker.

Dairy feeding practices will be discussed by Prof. J. G. Hayes, extension dairyman at Michigan State college and A. D. Morley, county agricultural agent at six meetings in Allegan Co. The meetings will be held as follows: Monday forenoon, Nov. 2, Floyd Barden farm, afternoon, Osego Sanitary Milk Co. plant; Nov. 3, forenoon, Wayland fire station, afternoon, Hamilton Co-Operative plant; Nov. 5, afternoon, Martin Co-Operative, evening Fennville High school.

John Anderson of Saugatuck was in Grand Haven Tuesday on business.

GETS THREE BIG CANADA GEESE WITH ONE SHOT

Pheasant hunting is tame sport compared with the experiences of Harold Dickinson of Fennville the other day. He had been hunting pheasants and having lost several birds in times past because of too light of wings he was using. He, on this occasion provided himself with heavy loads. While repairing a piece of fence on his resort property on the south side of Hutchins lake he heard the hooting of a big flock of geese that finally settled within gun shot. Mr. Dickinson let go with both barrels, and the geese raised, and three of them fell back. Our happy hunter did his own retrieving, wading out up to his waist line; but his joy was supreme when he endeavored to get the down off the geese when dressing them. They were white-breasted Canadian geese and weighed from nine to ten pounds each. There were fully fifty in the flock.

TO MY FRIENDS AND CUSTOMERS:—  
As some of you may know, my work for the past couple years has been with the Szekeley Aircraft and Engine Co.  
I thought I knew something about motors and general mechanics when I joined the Szekeley organization, but if I did, I have certainly added some very practical things to my store of knowledge.  
The same delicate adjustments so necessary for perfect performance in airplane engines are wanted, I know, by many particular drivers of motor cars.  
When I was formerly in the automobile business, my friends were kind enough to say that they appreciated the type of service which I was able to render and the spirit in which it was rendered. Many have indicated to me that they wished they could get the same brand of service and the same expert mechanical work again.  
This, plus my own desire to get back into business for myself, and in view of my special training in this particular field, has influenced me to "open shop."  
I am opening not with a blare of trumpets—not with beautiful engraved announcements. I have no agencies, no fancy show rooms, nor anything in the way of unnecessary overhead expense which my customers will have to pay for. On the contrary—I'VE GOT MY OVERALLS ON—in order to give the work my personal supervision. I'd like to be able to serve you. My charges, rest assured, will be reasonable, and my work will either be satisfactory or you won't be asked to pay for it. Come in any time.  
Yours sincerely,  
ED LEEUW.  
Please Note—The location is 23 West 9th St., adjoining City Storage Garage. The telephone number is 2083. The type of service—not specialized, just anything that's wrong with your car. I'll fix it.
